Tax resistance is the refusal to pay tax because of opposition to the government that is imposing the tax, or to government policy, or as opposition to taxation in itself. Tax resistance is a form of direct action and, if in violation of the tax regulations, also a form of civil disobedience.. Examples of tax resistance campaigns include those advocating home rule, such as the Salt March led by ...

Liverworts Definition. Liverworts, like the species seen above, represent a branch of non-vascular plants, most of which are terrestrial. The name "liverworts" is derived from the belief in ancient times that the diseases of the liver could be cured with these plants. Liverworts are part of the kingdom Plantae, in the division Marchantiophyta. While the plants are small, and often ...

Michael D. Breed, Janice Moore, in Animal Behavior (Second Edition), 2016. Parental investment in offspring comes in many forms, ranging from provisioning gametes and young to building nests and guarding territories. Patterns of parental investment—that is, which parent makes most or all of the investment—are linked to patterns observed around sexual selection (Chapter 11), with choosey ...
