The outer world is the world of the physical. This is where we live and make things happen. All things that you wish for or thoughts that constantly occupy your mind manifest on this plane. You think in the inner world and it appears in the outer world. You may wish, "I want to be rich," but deep inside you think, "I'll never have enough money."

If we are to be the light of the world - if we are to make this a better world - first for ourselves - and then for everyone we get in contact with - we need to look inside - into the inner world. AND in order to reach a true understanding of how the inner world and the universe works we need to understand the laws of the universe .
