journalist, and financier, best known for his economic theories (Keynesian economics) on the causes of prolonged unemployment. His most important work, *The General Theory of Employment, Interest and Money* (1935–36), advocated a remedy for economic recession based on a government-sponsored policy of full employment.

**Keynes (1883 -
1946) - Genealogy**

John Maynard Keynes (1883-1946) was the pivotal economist of the twentieth century, whose revolution rose to dominate academic and policy discourse for 50 years before falling to a counter-revolution. Today Keynes's ideas have been purged from what is called mainstream economics, yet they
