SLM KW Resources - Scott Le Roy Marketing

This course explores how markets culturally and economically work, and provides a broader approach to studying marketing than simply explaining how businesses use marketing techniques. Consumption in society is shaped by the cultural, political and technological factors that influence marketing practices and this programme will prepare you to engage with these issues in critical, practical ways.

Marketing BA | University of Leicester

Marketing refers to activities a company undertakes to promote the buying or selling of a product or service. In 2017, The New York Times described it as "the art of telling stories so enthralling that people lose track of their wallets. It is one of the primary components of business management and commerce. Marketers can direct their product to other businesses (B2B marketing) or directly to ...
