Following student suggestions, Soomo unlocked the multiple choice responses. Now, when students answer multiple choice questions, they can switch answers with ease instead of being locked into their first responses. This allows them to correct a “blemished” record and keep their responses well-marked for review.

released as a consequence of their bankruptcy proceedings, the

executive summary slide says that a key element of their strategy is 'driving aggressive digital growth in a course model.'

'Course solutions' is mentioned three times in the deck as well. Cengage, as a company, is essentially betting its future on courseware.
