In addition to more swearing, this book contains spoilers for Conspiracy of Ravens, book 1 of the Raven Crawford series. Also of note, an even shorter version of this story was released in a boxed set called "Heart of a Phoenix" on Feb 20, 2020.

Crawford Investigations (5 book series) Kindle Edition

The third installment of the Investigator's Little Black Book provides an extensive collection of resources for private investigators. The book provides a huge list of information on a variety of topics, and most sections have either a phone number or internet address if you need more information on the topic.

Private Investigator Books, reference manuals and ...

This was so much fun! The only issue I have with it is the same as with the Ace Attorney games. The pacing. It's just right at the confrontation and investigation sections, but a little bit slow in the dialogues. Since the story effectively trumbles over the gameplay, the dialogue just offsets the pacing a little bit.

Hello again, everypony! Our previous post introduced everyone to case 2 in general, but today, we'd like to go a bit more in-depth by beginning to get people acquainted a bit more with the characters that you'll be encountering in case 2 who weren't seen in case 1. We'll start with Philo Reed, detective at large, and work our way through the roster from there, one character at a time.
